Site plan and Design Review Within any zoning district, no building permit for the construction of any building or the repair or alteration of the exterior of any building required by these regulations shall be issued until a site plan has been reviewed and approved by the planning commission. Site plans shall be valid for eighteen (18) months. If construction has not begun within that time the approved site plan shall become invalid.

At a minimum, all site plans shall include the following information:

- ___ Seven (7) copies of plan along with appropriate fees must be received at least 30 days prior to a meeting date.
- ___ Site plans shall be drawn at a scale to allow adequate review;
- ___ All existing and proposed right(s)-of-way, streets, curb cuts, drives and parking areas;
- ___ existing and proposed contours at a vertical interval not greater than 5 feet based on sea level;
- ___ the location of all water courses on or adjoining the tract;
- ___ flooding note, floodplain information from (FEMA) maps and studies;
- ___ stormwater drainage plan when required by city engineer or codes department;
- ___ proposed drainage retention or detention areas with engineered stamped calculations and the drainage calculations for all drainage structures;
- ___ landscaping and planting screen when applicable;
- ___ property lines enclosing the site, building setbacks;
- ___ type of activity proposed and number of employees;
- ___ location, size, height and arrangement of proposed and existing buildings;
- ___ the existing zoning on the site and on adjoining properties;
- ___ location, dimensions and explanation of all easements;

- ___ location and size of all utilities, any change in size requires appropriate department approval.
- ___ acreage and/or size of lot, names of adjoining property owners or subdivisions;
- ___ location and dimensions of all signs;
- ___ locations, typical radius and intensity of proposed lighting;
- ___ a vicinity map; north arrow; scale; tax map, group and parcel as recorded.

For any lot where public sewer is not available the following shall be shown:

- ___ statement or illustration from the Health Department showing the area to be used for sewage disposal and;
- ___ approval from the Health Department.

Changes to an approved site plan require approval of the appropriate department. Changes substantially affecting the original site plan, according to the appropriate department, require resubmittal to the planning commission with exception of the following changes that require automatic resubmittal to the planning commission, if:

- ___ the density of the development is to be increased;
- ___ the floor area ratio or number of stories is increased or changed;
- ___ there is any change in plans for historical structures or sites.

ORDINANCE 2004-17

AN ORDINANCE AMENDING THE PEGRAM MUNICIPAL CODE, TITLE 20,
WITH RESPECT TO ESTABLISHING REVIEW CHARGES,
OVERSIGHT CHARGES AND PROJECT SITE INSPECTION CHARGES,
AND PAYMENT OF ENGINEERING AND/OR LEGAL REVIEW CHARGES
INCURRED BY AND OWED TO THE TOWN OF PEGRAM, TENNESSEE.

WHEREAS, the Town of Pegram, Tennessee has, through adoption of its municipal zoning ordinance and amendments thereto, subdivision regulations, Stormwater Management Manual and its Sewer Use Ordinance, implemented regulations to assure sound building, development and planning practices and to properly protect the citizens of the municipality; and

WHEREAS, strict compliance is necessary to ensure conformity of designs for proposed subdivisions, planned unit developments, site plans, landscape plans, special exceptions and/or variances approved by the Board of Zoning Appeals, use changes, sketch plans, preliminary plats, final plats, construction plans, grading plans, wastewater treatment facility plans, and all matters which require established sums for performance bonding, dedication of easements, and facilities/structures associated with the foregoing, including but not limited to legal engineering design, review and construction inspection, and/or legal review, as presented to the Municipal Planning Commission, Board of Zoning Appeals and Board of Mayor and Aldermen; and

WHEREAS, it is in the best interest of the municipality and its citizens for all future development to undergo all necessary review by the Town's engineer, attorney or other designated staff or consultants for the Town in order to ensure that all matters set forth in the preceding paragraphs are in conformity with all requisite standards adopted by the Town and its Municipal Planning Commission, are based upon sound engineering practices and prevailing standards, and are in accordance with all regulations and ordinances of the municipality.

NOW, THEREFORE, BE IT ORDAINED by the Board of Mayor and Aldermen of the Town of Pegram, Tennessee, as follows:

1. Title 20 hereby is amended by deleting all language contained therein in its entirety and in its place, substituting as follows:

TITLE 20
CHAPTER 1 CHARGES FOR ENGINEERING AND LEGAL FEES.

SECTION

- | | |
|--------|--|
| 20-101 | Oversight and Project Site Inspection Charges. |
| 20-102 | Fee Schedule. |
| 20-103 | Violations and Penalties |
| 20-104 | Purpose. |
| 20-105 | Conflict of Interest |

20.101

Oversight and Project Site Inspection Charges.

(1) All owners, developers and/or applicants, individually or by their authorized agents, employees or servants, seeking municipal approval for any proposed development/improvement of land by subdivision, planned unit developments, site plans, landscape plans, special exceptions and/or variances approved by the Board of Zoning Appeals, use changes, sketch plans, preliminary plats, final plats, construction plans, grading plans, wastewater treatment facility plans, and all matters which require established sums for performance bonding, dedication of easements, and facilities/structures associated with the foregoing, shall be responsible for any and all reimbursement of charges to the Town of Pegram, Tennessee for all actual review charges levied, including but not limited to engineering review, engineering oversight and project site inspection charges/fees assessed by the Town engineer, his agent, employee or appointed designee, by the Town attorney, and/or by any other designated consultant rendering services ancillary to the foregoing for and on behalf of the municipality, wherein said charges/fees are incurred by the said Town by virtue of and as relates to the foregoing.

(2) All actual charges to be reimbursed to the municipality shall be paid within fifteen (15) days from the date of billing by the municipality. In the event said reimbursement charges are not paid timely, any permit issued or approval before given shall become void and default may be declared upon any performance bonding posted with the Town.

20.102

Fee Schedule. In addition to the actual charges incurred and notwithstanding all of the foregoing, certain charges shall be due and paid at the time application is made to the Town of Pegram or its Municipal Planning Commission as a base minimum, all of which shall be set forth and adopted by Resolution by the Board of Mayor and Aldermen. Not until payment in full of the applicable fee(s) is made to the Town, in the sums set forth according to the said fee schedule, shall any permit issue or application be considered by the Planning Commission. Said fee schedule shall set any and all exemption payments of fees and shall be revised from time to time, as is necessary, by further resolution passed by the Board of Mayor and Aldermen.

20.103

Violations and Penalties.

(1) Whenever a permit is required and work has started or proceeded prior to obtaining the required permit(s), the fees set forth in the fee schedule shall double and a stop work order shall issue.

(2) Failure to comply with a stop work order shall result in a finding of guilt rendered by the City Court with a punishment to include but not be limited to a fine of not more than fifty dollars (\$50.00) per offense. Each day that a violation continues shall be considered a separate offense and an additional violation. Such fine is intended to be remedial in nature for the purpose of deterrence and to protect the public health, safety and welfare of the residents of Pegram. Subsequent compliance shall result in a reduction and/or elimination of the imposed fine

(3) The Building Inspector shall be the person authorized to issue all permits and is hereby authorized to issue any necessary stop work orders for the failure to secure a proper permit and/or for failure to pay the proper fee(s).

20.104 Purpose. This ordinance is not deemed to be a tax, but instead is intended to offset actual incurred expenses of the municipality for an owner, developer and/or applicant seeking development of land and improvement of lands within the municipality.

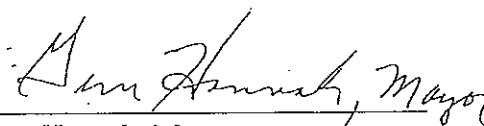

20.105 Conflict of Interest. It is and shall constitute a conflict of interest for the Town engineer and/or Town attorney to perform any service on behalf of an owner, developer and/or applicant as described herein, and all services performed by the Town engineer and/or Town attorney as relates to the foregoing chapters shall be deemed rendered solely for and on behalf of the Town of Pegram.

2. Nothing in this Ordinance shall be construed as amending any other provision of the Pegram Municipal Code, and all such other provisions, and amendments thereto, shall remain in full force and effect.
3. All Ordinances in conflict herewith are here and now repealed.
4. This Ordinance shall take effect upon its second and final reading, the public welfare requiring it.
